EDUCATION

University of Pittsburgh, Pittsburgh PA — Expected Graduation: May 2026
Bachelor of Science in Computer Science — GPA: 3.66
Minor in Spanish
Dean's List

TECHNICAL SKILLS

Java, Python, C, C++, HTML, CSS, JavaScript, SQL, NoSQL, Django, Excel

SELECTED PROJECTS

Social Media Scheduler

- Built a responsive app using Django that allowed users to schedule social media posts across Instagram and Twitter in an efficient manner
- Released the app at no cost to peers across the university and gained over 300 active users
- Built features using Python that learned the time of day of maximum engagement with social media posts, which increased overall engagement rate by 25% for users

Programming an Adventure Game

- Created a text-based adventure game with graphical interface in Python

RELEVANT EXPERIENCE

PNC Financial Services Group, Pittsburgh, PA — June 2025-August 2025
Technology Intern

- Wrote code for and tested the functionality of the Angular Front-end for a product webpage which displayed the structure of products, teams, and management at PNC
- Implemented a fake data generator for a product data model
- Participated in a mentoring program, as well as job shadows to learn more about the field

University of Pittsburgh, Computer Science Department, Pittsburgh, PA — August 2024-May 2025
Peer Tutor

- Held weekly office hours to assist students with their Intro to Programming and Discrete Structures courses

CAMPUS INVOLVEMENT

Computer Science Club — September 2023-Present

- Participate in professional development activities, including guest lectures (industry experts, faculty, and staff speakers) and through various company site visits
- Contributed content to the 'Zero to Offer' wiki site, highlighting lessons learned from the internship search

Steel Hacks — February 2023

- Participated in an annual hackathon with a group of four teammates with a variety of backgrounds
- Developed a prototype of an app to help students study and stay on track with their projects

ADDITIONAL EXPERIENCE

Eat 'n Park, Pittsburgh, PA — September 2022-Present
