Course Learning Agreement: INFSCI 1720

(As of 5/2022, subject to change)

Instructor

Dr. Ahmed Ibrahim, aibrahim@pitt.edu

Course Information

Description: Supervised work in an information environment providing a frame of reference for understanding and an opportunity to apply the skills, methodologies, and theories presented in information science courses.

Course Requirements: Enrollment not permitted if currently or previously completed INFSCI 1720/1085. Must have successfully completed five Information Sciences courses and have submitted an internship for credit via Handshake.

Credits: 3

Grade Component: Satisfactory/No Credit

Assignments

Final Evaluation

You will need to prepare answers to the following prompts before you submit your final evaluation:

Internship Details

- First & Last Name
- Pitt Email
- Where did you intern?
- What was your position/title?
- Did you work in-person, remotely, or hybrid?
- What date did your internship start?
- What date did your internship end (or is going to end)?
- How would you rate your internship experience? (1-Terrible – 5-Excellent)
- Where did you learn about the internship?
- Would you recommend this employer to your fellow students?

Final Reflection

- Why were you interested in working with this employer in the first place?
- What were you originally supposed to be responsible for?
- Did your responsibilities change during the internship?
- What technical skills have you gained? And how will they help you in your career?
- Describe an issue, struggle, or job-related problem – how did you overcome it?
- What did you learn at Pitt which helped you in your internship?
- What could we (at Pitt) have done to make your internship experience better?
- Please feel free to provide any additional feedback regarding this experience here.

To complete the assignment, access the evaluation link through your Pitt email – you should have received an alert 14 days before finals week. If you have not, please log-in to Handshake and navigate to the Experiences tab under Career Center. You should see a notification there prompting you to complete the evaluation.

You must submit a final evaluation before the end of final exams week (regardless of the internship end date) if you want to receive an 'S' grade. Otherwise, you will receive a 'U' grade.
